

OIL FILTER HOUSING CAPS

With long-term heat exposure, engine vibration, oil pressure, repeated torquing after oil change service or use of the wrong tools, OE oil filter housing caps will eventually wear out and break unexpectedly.

Be ready for unexpected headaches & keep customers on the road by stocking OE oil filter housing cap replacements

DIRECT FIT REPLACEMENT

Precision engineered as a direct fit replacement that delivers original equipment fit and performance.

LONG LASTING DURABILITY

Constructed with high-quality materials and premium components for exceptional durability, oil change after oil change.

INSTALLATION READY

Includes everything required for a successful installation, including O-rings, center tube, and plugs where applicable.
