ALL-STEEL FRAME & RIVETS

The Vision Conventional Blade features an all-steel frame and rivets for rugged durability in all weather conditions.

COMPRESSION-MOLDED RUBBER

A compression-molded rubber squeegee retains its shape and elasticity for longer while delivering quiet, streak-free performance.

COMPATIBILITY & EASY INSTALL

Vision Wiper Blades are designed with a universal adapter that ensures easy installation for up to 98% of applications.

COMPATIBLE WITH THESE WIPER ARMS:

EG-XVSS24

ECOGARD®

VISION

Fits up to
98%
of Vehicles!
